

PACIFIC - D'station Racing enters SUPER GT 2020

PACIFIC - D'station Racing has confirmed that it will enter SUPER GT series in 2020 with the Aston Martin Vantage AMR GT3.

The driver line-up will be Tomonobu Fujii, multiple SUPER GT race winner, and Nicki Thiim, Aston Martin Racing factory driver. PACIFIC - D'station Racing has partnered with Aston Martin Racing for commercial and engineering support. The team is also delighted to confirm Michelin as a tyre partner.

The target is to secure a first victory as well as GT300 class title for the new Vantage GT3 in SUPER GT.
